**Minutes of the Meeting of the Governing Board held on**  
**Tuesday, 23rd June 2009**

Venue	IFIM Business School Board Room
Attendees	<ol style="list-style-type: none"> <li>1. Mr. V B Padode - Chairman</li> <li>2. Dr. N R Shetty</li> <li>3. Dr. V A Sastry</li> <li>4. Mr. Sanjay Gupta</li> <li>5. Mr. Sanjay Padode - Secretary</li> <li>6. Mr. Swami Krishnan - CEO</li> <li>7. Dr. M R Gopalan</li> </ol>
Invitees	<ol style="list-style-type: none"> <li>1. Dr. Rajendra Nargundkar (Director)</li> <li>2. Dr. N. Balasubramanian - Dean - IIP/Placement, Int. Study Program &amp; New Initiatives</li> <li>3. Dr. Madhumita Chatterji - Head- CSR</li> <li>4. Dr. D.N. Murthy</li> </ol>
Absentees	<p>Dr. Balaveera Reddy          Dr. R S Nirjar          Dr. Devi Singh          Mr. Mike Shah</p>

1. The Chairman welcomed all the members of the Academic Governing board.
2. The meeting started with the presentation on IFIM's Organization Chart by Mr. Sanjay Padode. During his presentation, following key points were highlighted before the board.
  - a. IFIM Business School has two chair persons in PGP office to handle the day to day academic activities without any hassle. This is to avoid the earlier problems the PGP office had to go through to handle varied kind of PGP activities.
  - b. Compared to last year, the fee collection on time is good this year.

- c. IFIM now has tie up with MicroSoft which has enabled our students to get an extra storage space of 5 GB each. This would not have happened without the initiative taken by Prof.Shankar Rao.
- d. IFIM is now in the process of working on the Foreign Accreditation.
3. **Dr.Madhumita Chatterji presented the Convocation details of Batch 2007-09, and the following points were highlighted by her before the board.**
- a. Dr.Madhumita mentioned that 120 from PGDM and 60 from PGDM – IB have passed out and the board confirmed the no. after looking into the records.
- b. It was informed that the four students namely Ms. Kamalika Pal ( Topper from PGDM), Ms. Lalitha Preeti(Best all round achievement award) , Mr. Chinmaya Mohapatra,(Topper from PGDM-IB) & Ms. Veena Singh (Best All Round Achievement Award) will be awarded Gold Medalists for the year 2007-09.
- c. Dr.Madhumita further mentioned that Ms. Kamalika Pal who has secured 9.45 CGPA has been offered a job in Siemens. Ms.Veena Singh has actively involved in placement and Dr.Rajendra Nargundkar added that Ms.Veena Singh has co written a paper with him which will be presented in Singapore.
- d. As decided in the last Governing board meeting to introduce “the best Internship Award”, a very deserving student by name *Mr. Junaid Nazir* has been given the *Best IIP project award* and his project was on “ A study on Retail Category Management with Special reference to promotions and Merchandising at Spar Max Hyper markets. He is the fifth gold medalist of the batch 2007-09.
- e. Dr.Madhumita mentioned that **Mr. Md. Arshad Hussain** is one amongst three boys who did SAP course and has performed well.
- f. Dr.Madhumita further mentioned the names of students who have been awarded Padode scholarship. The Padode foundation scholarship has been awarded to 14 deserving students as shown in the presentation. The criteria for this selection was explained by Dr.Madhumita Chatterji that a total score of the ‘ scholarship test result’, ‘first term result’, ‘graduation result’ and also the ‘personal Interview’ were taken to judge the merit cum means criteria.

**4. The Profile of Admission for batch 2008-10 PGDM & PGDM-IB was presented by Dr.Rajendra Nargundkar. During his presentation, following key points were highlighted.**

- a. Dr.Nargundkar was asked by Mr.V.B.Padode to explain the response received by the admission team and also how is the spread out this time. Dr.Rajendra Nargundkar answered that this time, the admission team has seen a very good representation which is a very good spread out from all over India. He added that IFIM has representation even from Andaman & Nikobar this time.
- b. Dr.Rajendra Nargundkar mentioned that the new strategy of involving the faculty team who are teaching the first two terms to select the students for the new batch has really worked and a good number of quality students have been selected.
- c. Dr.Nargundkar explained while answering Mr.V.B.Padode 's question of From which part of the country, IFIM is getting good number of quality students. He said that actually speaking percentage some times will not be a deciding factor to judge the student's potentiality, for eg. Delhi University students' evaluation is very strict compared to Southern part of india from where we get 90 % and above who some times can not actually compete with Delhi University students. Dr.N.R.Shetty supported this point.
- d. Further Mr.VB Padode asked Dr.Nargundkar that which portion of India is good in terms of quality students, Dr.Nargundkar answered that according to his observation, Students from Delhi and Mangalore were found to be good.
- e. Dr.Rajendra Nargundkar gave a comparison of intake between the two PGDM programs and said that compared to PGDM, PGDM-IB is slightly better in terms of gender ratio and spread and also this time there is a good number of representation from Karnataka itself. Mr.V.B.Padode appreciated this trend.
- f. The Board, on an earlier occasion had reviewed the Budget for 2008-09 and 2009-10 specifically in regard to the budgetary provision for creation of additional infrastructure viz., additional block in the Campus and a dedicated hostel and in this regard had noted amongst others the existing fee structure, the requirement of capital infusion for expansion plans, creation & up-gradation of certain facilities and implementation of the revised AICTE scales of pay. During the ensuing discussions,

it transpired that a substantial provision needs to be made in the Budget for 2010-11 both towards (a) implementation of the revised AICTE scales of pay (b) funding of the on-going construction activities and up-gradation of facilities.

In this context the Board had directed Prof. Swami Krishnan, CEO & Director to constitute a Sub-Committee chaired by Prof. R. Nargundkar, Director with appropriate terms of reference and circulate the report prior to the Board meeting. Accordingly, a report was prepared and circulated along with the agenda papers suggesting enhancement of the fee from Rs. 6 Lakhs as at present to Rs. 7.5 Lakhs for the Academic year 2010.

The Board, while considering the issue of fee enhancement noted that the bed-rock of a fair fee structure policy is the avoidance of commercialization & profit making while simultaneously ensuring maintenance of standards & up-keep of facilities & assets.

Keeping in view these prime considerations, the Board approved the Programme fee of Rs. 7.5 Lakhs for the academic year 2010.

**5. Dr. N Balasubramanian presented the facts and figures on Internships and Placements. During his presentation, Following were the key points he highlighted.**

- a. Dr. Bala mentioned that 6 of IFIM's students have completed their IIP @ Lubech in Germany with a fellowship and some placement opportunities are being looked at in Australia with Religare Technova.
- b. Dr. Bala mentioned that so far IFIM's placement cell could place 80% of the students with an average of 3 lacs/annum. Mr. V. B. Padode and Mr. Swami Krishnan appreciated by adding that 80% placement is quite commendable at this recession period.
- c. Mr. V. B. Padode asked whether any of our students are placed in the same place where they are doing internships, the answer was, this year not a large number.
- d. Mr. V. B. Padode asked whether the Institute is spending money for the students exchange. Dr. Bala explained that it is a mutual arrangement that we take care of

the foreign students when they are here and in return they take care of our students when they visit their place. As far as expenses are concerned, our fee structure has been designed to cover the foreign trip.

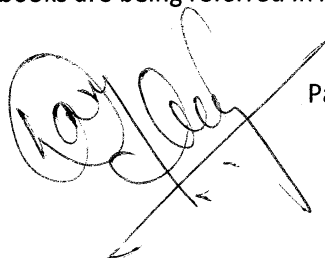

- e. Dr.Bala mentioned that on 20<sup>th</sup> of this month, we have an appointment to sign MOU with MDI, Singapore and hopefully, by next year, we can run the courses.
  - f. Dr.Bala was asked by Mr.V.B.Padode to share his experience as to what kind of response he has observed during his foreign trips with students. Dr.Bala answered that the response was very good. Dr.Murthy added that the response he observed during his visit to France with the students was very good and compared to others, our students are more disciplined and have dress etiquette.
  - g. Mr.Rajesh Padode asked how exactly IFIM is covering the foreign trip, whether it is 6 months or 2 months after 18 months course duration. Mr.Swami Krishnan explained that as of now, of the 18 months, last 2 months are dedicated for foreign visit and we are planning to increase it to 6 months in future.
  - h. Dr.V.A.Sastry asked the board whether we have any information on the students who have won gold medals last year and whether they are well placed. Dr.Madhumita answered that one of the gold medalist of last year, Ms.Anusuya Ghoshal is working in IDBI Bank and the other student Ms.Hemanti Richa is working for Caster Oil.
6. **Dr.Rajendra Nargndkar presented the profile of Incoming batches PGDM year 2009. Following are the key points he highlighted before the board.**
- a. Dr.Rajendra Nargundkar mentioned that there was a minor problem in terms of scheduling the calendar but now it is almost settled because this year both our PGDM/PGDM – IB have been synchronized. Dr.Nargundkar mentioned that major events have been taken into account while scheduling the calendar.
  - b. He mentioned that results are being declared on time (2 weeks after exam).
  - c. Dr.Nargundkar mentioned that faculty are being oriented by conducting workshops and MDPs One such MDP was conducted in Yerkaud for all IFIM Teaching faculty recently which has received a good response. Guest lectures by external faculty are

being arranged regularly, for eg. Prof.Shinu Abhi had arranged for a guest lecture by head of VODAFONE which was appreciated by our students very much. Faculty are being encouraged to come out with a new and innovative kind of teaching and also to do some writing and research work which will keep the learning process alive as well as help IFIM in brand building . Not only that, faculty are being encouraged to launch any programs.

- d. Mr.V.B.Padode asked Dr.Nargundkar that whether there are any refreshing courses for young teachers and professors, Dr.RN answered that , there are some FDP & MDP crash courses.
- e. Mr.V.B.Padode suggested that it is better if we conduct some training programs in our Institute may be for a 15 days stretch or so and invite some external lecturers and professors which will help in keeping the learning process alive as well as it may help in brand building.– Dr.Nargundkar answered that, the small work shop which we had run some time back has helped and surely we can work towards it.
- f. Dr.Nargundkar said that we can expect good result in terms of number of students opting for IFIM as we have introduced some of the coaching classes like CAD/MAT etc., which is attracting students and also websites like minglebatch has received a good response.
- g. When Mr.V.B.Padode asked whether all the prospective students are getting converted. Dr.Rajendra Nargundkar answered that when 100 students are being interviewed, we are getting 50% out of 100 and after conversion, there is a very low margin of drop out. The low margin which may drop out due to some inevitable reason is getting 100% refund from IFIM unlike other business schools.
- h. Mr.Sanjay Padode asked whether we can conduct FMS etc., Dr.RN said, yes.
  - i. Dr.NR shetty asked, whether there is any way to track the database of the large number of students who write CAT and do not convert. Dr.Nargundkar appreciated that it is a good question, and answered that mostly such students go abroad, or rewrite CAT. Dr.N.R.Shetty said that even in places like IIMs, only around 2000 students are getting absorbed and may be we can focus on the rest of such large number of students.

**7. Dr.M.R.Gopalan, Director – Research presented the facts and figures of research activities. During his presentation, following were the key points he highlighted.**

- a. Dr.Gopalan mentioned that Ph.D number is gradually improving and there is a good response. He said that the institute should exploit the potential that exist in terms of research and publication. Two students are in advanced stage, one under Dr.Nargundkar & the other under Dr.M.R.Gopalan himself.
- b. Mr.V.B.Padode asked whether there is any 'Body or Board' to approve the thesis, and whether it is full time program. Dr.M.R.Gopalan explained that it is a Part time program and there will be one internal guide and the external guide for each student and it is administered & approved by VTU.
- c. MR.V.B.Padode asked what is the duration to complete Ph.D. Dr.M.R.Gopalan said that it will take a minimum of 4 years to complete the thesis.
- d. Mr.V.B.Padode advised that we should actually concentrate on getting the good quality of students for Ph.Ds and not go by merely a good number. To support this, Dr.N.R.Shetty said that Just the VTU's recognition or certification he does not think are the deciding factors on the quality of work, and anybody can set the standard of his or her own. The quality can be decided on looking into the quality of the publication. Mr.V.B.Padode added that research work and the Ph.D students should not be taken lightly based on the bias or influence by the guides as they know the students for the past so many years, instead, guides should be very strict with the PhD students.
- e. Dr.M.R.Gopalan mentioned about the e-journal headed by Dr.Sridevi is expected to be out in the month of July. Then the question was raised by Dr.V.A.Sastry as to why e journal is required, when Focus is already there. Dr.Gopalan explained that Focus is an international refereed journal and the quality is very high and academic oriented where as e journal is focused to promote industry-Institute interaction on various practical issues and practices.
- f. While Dr.Gopalan mentioned about some of our faculty books are very well recognized, Mr.Swami Krishnan added that some of Dr.Rajendra Nargundkar's books are being referred in XLRI.

g. Further to Mr.V.B.Padode's earlier question of whether we are bringing out the good quality of Ph.Ds, Dr.Gopalan mentioned about Mr.Radha Krishnan who has got 15 years of experience and he is one such example for good quality of publication in publishing in reputed international journals such as IEEE. Dr.Gopalan also mentioned about some of our Faculty's publications which have got good recognition like :

- 1) Emotional Intelligence –Myth or Reality by Dr.Mousumi S Bhattacharya & Dr.Nilanjan Sengupta which has been awarded the 2<sup>nd</sup> Prize in ISTD book award.
- 2) "Airlines in India - A strategic analysis" is a paper co-authored by our faculty member Dr.Sridevi with Dr.Nat Natarajan which has won a distinguished paper award in International business track.

**8. Dr.Murthy presented the CFE activities before the board. Following were the key points he highlighted.**

- a. Dr.Murthy thanked Dr.N.R.Shetty and mentioned before the board that in a way, Dr.N.R.Shetty is our mentor in IFIM's CFE activities.
- b. Dr.Murthy explained the objective of CFE as - To Inculcate, Catalyze and Promote the Culture of Entrepreneurship among the Students to Create Entrepreneurs.
- c. Dr.Murthy added that both students as well as the Institute will be benefited by this which he explained as - Students in terms of knowledge enhancement and confidence building and IFIM in terms of brand building, enhanced professional networking and getting better visibility.
- d. Dr.Murthy mentioned that we are into many activities which are helping us to achieve our CFE objectives. Such as different training programs like EAC, EDP and FDP at the Institute are being conducted for the benefit of students and students are being encouraged to undertake Entrepreneurship projects and new product developments. IFIM is also encouraging the students to come out with innovative business plan. One such successful program was conducted recently in IFIM called Ethon Business plan '09 which was received very well and a deserving student under the able guidance of Mr.Sanjay Padode managed to win the competition.
- e. Dr.N.R. Shetty said that there are no. of sponsors through DST who can sponsor for the best business plan for which Mr.SP added that we should identify some

mentors, and Dr.Shetty said that between the students, the spark and awareness for innovative plans should be created. All the board members supported the idea of incubating the funds for good projects or good business plans.

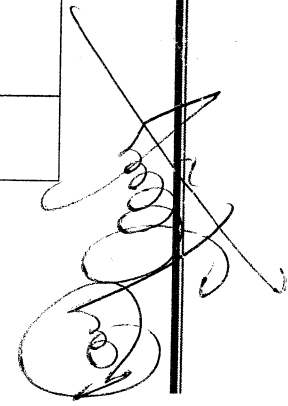

Dr.V.A.Sastry suggested that - in addition to the annual board meeting, it is better to have interaction may be twice a year or so. Mr.Sanjay Padode suggested that half yearly meeting will be ideal.

Mr.Swami Krishnan concluded the meeting by thanking all the board members and the rest of the team who gave the presentation on various areas and requested the board members to join the team to visit IFIM's new campus and the Hostel premises. The Governing board meeting ended with the IFIM's new campus and hostel tour.

**AGENDA: PLANNING FOR THE ELECTIVES FOR THE YEAR TWO OF 09-11 BATCH**

Dr.Gopalan welcomed the board members. Following are the key points discussed in the meeting.

- Dr.Gopalan mentioned that to take it forward the advance planning process as discussed in the meeting held on 8<sup>th</sup> May 2009, all the electives to be offered for the 2<sup>nd</sup> year should be finalized by area coordinators well ahead of the time. The area coordinators have to decide the number of elective offerings for each of the terms before the end of February and confirm the area offerings to PGP Office so as to enable them to announce the elective offerings to the students in the beginning of March.
- The PGP administration should follow it up with the area coordinators to get the above input on time.
- With regard to IIP Program which has been scheduled in the month of February 2011, the placement team has to finalize the IIP Centres / Companies by first week of December 2011 and the related formalities like allocating the students to different centres / Companies, finalizing the faculty guide, identifying the external guide in the company etc., to be completed by then. The tentative calendar to keep in track of the updates is attached herewith.

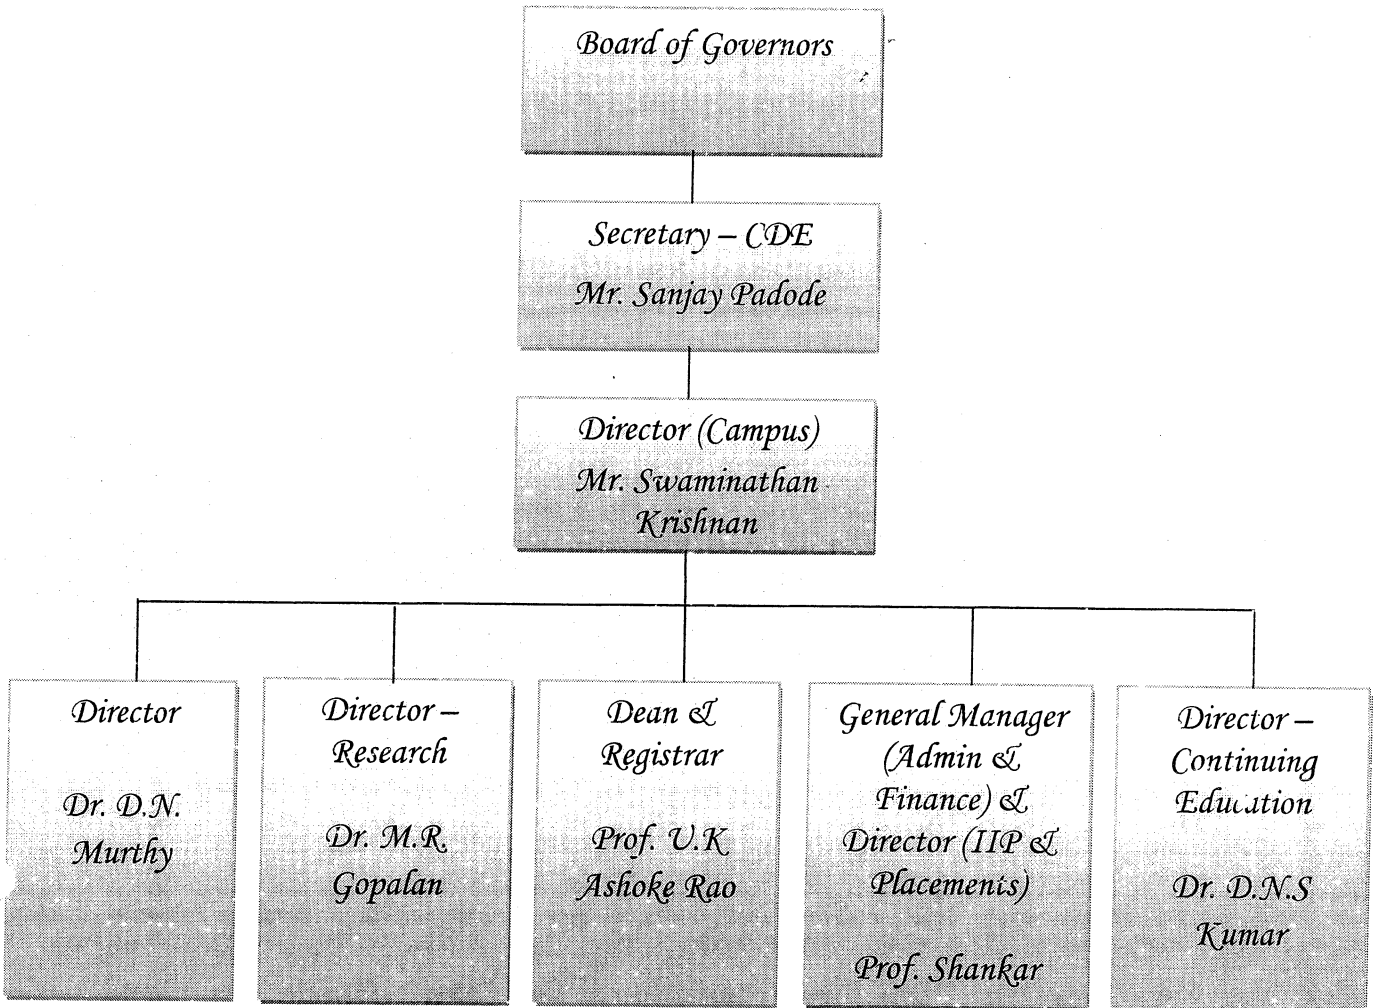

Dr.M.R.Gopalan  
 Director – Research

**CHART FOR DAY-TO-DAY OPERATIONS & MANAGEMENT**

**STUDENT FEEDBACK MECHANISM ON INSTITUTIONAL  
GOVERNANCE/FACULTY PERFORMANCE**

**INSTITUTIONAL GOVERNANCE :-**

- 1.0 We at the Institute of Finance and International Management (IFIM Business School) believe that Institutional Governance is a ‘journey’ and not a ‘destination’.
- 2.0 As an Institution committed to the highest standards of Institutional Governance, we have instituted appropriate mechanisms for superintendence & control to ensure that the Institute complies with the standards of disclosure, transparency and accountability.
- 3.0 To this end, the Institute of Finance and International Management (IFIM Business School) is governed by the Governing Board comprising of eminent academicians, corporate practitioners, entrepreneurs and other professionals who have distinguished themselves in their areas of expertise.
- 4.0 A five tier governance structure has been put in place that seeks to clearly distinguish, demarcate and address strategic and tactical issues concerning the Institution and its programme offerings. The various tiers of governance and their modes of functioning to include the structure, systems and processes are all well defined.
- 5.0 The rules & regulations of the Institute are comprehensively framed to cover both academic and non-academic issues and are duly incorporated in the student handbook, a copy of which is given to every student during the Induction-cum-Orientation programme.
- 6.0 The Cornerstone of our Governance model consists of the following features:-
  - 6.1 Transparency & fair play;
  - 6.2 Decentralization;
  - 6.3 Empowered Management;
  - 6.4 Task driven;
  - 6.5 Result Orientation.

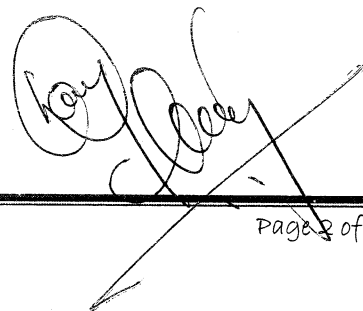

- 7.0 In order to be continuously vigilant and forewarned, we have put in place a 'Whistle blower policy' for all the stakeholders which we believe will go a long way to strengthen the corporate governance foundation of the Institute.

### **FACULTY PERFORMANCE**

- 1.0 Student feedback is taken subject wise & faculty wise at the close of every trimester. The students fill up the feedback questionnaire for each of the items that are considered vital to assess the relevance & impact of : (a) a subject (b) combination of subjects within the discipline (c) the integration of various disciplines within the overall programme (d) relevance of the curriculum on employment & employability (e) comprehensiveness of learning etc.
- 2.0 The student feedback is collated and compiled subject/faculty-wise with the following objectives:-
- 2.1 Understand alignment of pedagogical tools to various subjects;
  - 2.2 Assess the performance of students-subject-faculty wise;
  - 2.3 Use the feedback as a performance metric to understand the strengths & weakness, teaching styles and the areas of improvement, if any.
- 3.0 Thus in effect, student feedback is one of key inputs while assessing the Faculty performance.

\*\*\*\*\*

---

**GRIEVANCE REDRESSAL MECHANISM**

**FOR STUDENTS :-**

- 1.0 For every academic term, Class Representative(s) are selected through a democratic process. The CR's role inter-alia includes (a) Maintenance of student discipline & conduct-both during class hours & outside and (b) Escalation of student issues/complaints / grievances to the appropriate Faculty, designated forums including the Head of the Institution.
- 2.0 The Institute designates specific Faculty as Chairperson (Academics) & Chairperson (Student Affairs) who, apart from discharging Institutional / Administrative roles & responsibilities, also act as the official inter-face and thus essay a grievance resolving role between the student community & community of faculty.
- 3.0 Interaction/meetings are periodically organized between Faculty-Students-Head of the Institution to (a) solicit student views on Institutional issues/matters including Institutional Governance (b) discuss Institutional and/or hygiene based and/or programme based issues (c) chalk-cut remedial steps to alleviate the problems, if any. In addition, students are at liberty to approach, either individually or as a group, any of the Faculty in particular, and/or designated Chairpersons and/or Head of Administration and/or CEO & Director of the Institute.
- 4.0 In addition, a Welfare Committee (WC) has been constituted on a continuing basis. It consists of the Administrative Officer / Hostel Warden / Senior Manager (Administration) & General Manager (Administration). The WC shall meet as often as is necessary to discuss & resolve student based issues/ concerns/ complaints/ grievances. The WC shall, whichever necessary, co-opt members of the faculty and/or Chairpersons and/or Dean and/or Director. The WC shall, wherever necessary, also co-opt Class Representatives and/or elected representatives of the Student Council and/or any other student body formed from time to time to address student related issues/ concerns/ grievances. Under special circumstances and based on the nature of the grievance, the WC shall, whenever necessary, also invite external representative(s) of appropriate rank & status to assist in the discharge of its functions.

- 5.0 Every endeavour shall be made to resolve & dispose off every grievance (individual and/or group) as expeditiously as is feasible/practicable.
- 6.0 The time schedule for resolution & disposal of grievance(s) shall be as under :
- 6.1 Minor grievance – within 48 hours.
- 6.2 Major grievance – 7 working days.
- 7.0 The Management of the Institute, in its bid to resolve grievance(s) within the time lines stipulated above, shall constantly endeavour to provide utmost 'satisfaction'. Consequently, the focus of the Management shall be more on ensuring 'satisfaction' and satisfactory outcomes rather than mere adherence to time line(s).

**FOR FACULTY & STAFF :-**

- 1.0 Faculty & Staff meetings are periodically held with a view to (a) share & disseminate vital & sensitive information pertaining to the Institution and/or programmes offerings and/or the general educational eco-system (b) share & discuss institutional and/or programme and/or student based issues (c) solicit the views of all Faculty & Staff in order to build consensus on key action based initiatives and strategies (d) share & resolve individual Faculty & Staff and/or Faculty & Staff Community based issues (e) develop functional area and/or inter-disciplinary and/or team based working relationships.
- 2.0 The Faculty & Staff are at liberty to approach other Faculty colleagues and/or the Senior Management team including the Secretary of the Society (CDE) with a view to get their individual and/or group grievances resolved.
- 3.0 The Management of the Institute adopts a caring and a humanitarian approach to the Faculty & Staff and their concerns/issues.
- 4.0 Every endeavour shall be made to resolve & dispose off every grievance (individual and/or group) as expeditiously as is feasible/practicable.
- 5.0 The time schedule for resolution & disposal of grievance(s) shall be as under :
- 5.1 Minor grievance – within 48 hours.
- 5.2 Major grievance – 7 working days.

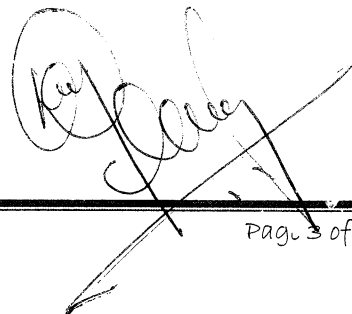

- 6.0 The Management of the Institute, in its bid to resolve grievance(s) within the time lines stipulated above, shall constantly endeavour to provide utmost 'satisfaction'. Consequently, the focus of the Management shall be more on ensuring 'satisfaction' and satisfactory outcomes rather than mere adherence to time line(s).

ANNEX - Mdf - 61(i)  
अखिल भारतीय तकनीकी शिक्षा परिषद  
ALL INDIA COUNCIL FOR TECHNICAL EDUCATION  
(भारत सरकार का एक सांविधिक संस्थान) (A STATUTORY BODY OF THE GOVERNMENT OF INDIA)

F.No.431/41-16/BOS(M)/95

5th June, 1995

The Director,  
Centre for Developmental Education,  
B-6, Unity Buildings,  
J.C. Road,  
Bangalore - 560 002.

Sub: Approval to Post Graduate Diploma in Business Management  
(PGDBM) 2-years Full Time.

Sir,

I am directed to state that on the recommendations of the Task-Force for Management Education the All India Council for Technical Education, New Delhi has accorded approval for the conduct of the following programme at

Centre for Developmental Education,  
B-6, Unity Buildings, J.C. Road,  
Bangalore - 560 002.

<u>COURSE</u>	<u>INTAKE</u>	<u>PERIOD OF APPROVAL</u>
Post Graduate Diploma in Business Management (PGDBM) (2 yrs Full Time)	60 (Sixty)	1995-96

The approval is subject to the fulfillment of the following specific condition and other general conditions as per Annexure - I. The Management institute is required to constitute an Advisory Body with functions and constitution as given in Annexure - II.

SPECIFIC CONDITIONS

- The Institute should furnish the details of the infrastructure available specifically for the Management programme before the start of the programme in July, 1995.

You are requested to kindly take necessary action in the matter and keep the South Western Regional Office, AICTE, Bangalore and this office informed of the progress made in this regard.

Yours faithfully,

*Shefali Gautam*  
(Shefali Gautam)  
Assistant Director

**REVISED ORDER**

File No. F.No.431-41-16/MCP(M)/95

Dated: June 14, 2007

TO,

The Director/Principal  
 Institute of Finance and International Mgt.,  
 #8p & 9P KIADB, Industrial Area,  
 Electronic City, II Phase, Bangalore - 560 100  
 Bangalore

Sub: AICTE approval to Institute of Finance and International Mgt., #8p & 9P KIADB, Industrial Area, Electronic City, II Phase, Bangalore - 560 100 Bangalore for extension of approval for the academic year 2007-08.

Sir,

This is in partial modification to the Council's earlier letter of even No. dated 23/02/2007, the revised status of the programme of the Institute is as follows:

S.No	Name of the Course(s)	Existing Intake	Revised Intake	Period of approval
1	PGDM-FT Additional Course PGDM (IB)	120 00	120 60	2007-2008

The additional intake is being granted based on the projection shown in the Detailed Project Report regarding additional built-up space, faculty and other facilities for the proposed intake. It may be noted that all facilities including additional built up area should be made available before the commencement of the next academic session. Random surprise inspection would be carried out to verify facilities and if the institute is found deficient in fulfillment of norms and standards of AICTE, appropriate action would be initiated by the Council.

All other terms and conditions of the approval letter under reference will remain unchanged.

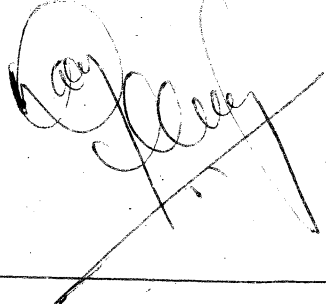

\* This Approval is granted based on the Appraisal of the information submitted by the institution on infrastructural, faculty and academic facilities created for the proposed course(s). Therefore the approval is subject to the verification of the claims made by the institution through an Expert Committee Visit. In case the claims made by the institution are found to be false, the approval granted shall be liable to be withdrawn.

Yours faithfully,

  
 Prof. K. Madhu Murthy  
 Adviser- M&T

ANNEX - MDF 611

# अखिल भारतीय तकनीकी शिक्षा परिषद् ALL INDIA COUNCIL FOR TECHNICAL EDUCATION

(भारत सरकार का एक सांविधिक निकाए) (A STATUTORY BODY OF THE GOVT. OF INDIA)

REVISED ORDER

F. No. F.No.431-41-16/MCP (M)/95

Date: May 28, 2009

To

The Director  
Institute of Finance and International Management,  
# 8p & 9P KIADB, Industrial Area, Electronic City, II Phase, Bangalore - 560 100

Sub: Extension of AICTE approval/Increase in intake/ Grant of additional course to Institute of Finance and International Management, # 8p & 9P KIADB, Industrial Area, Electronic City, II Phase, Bangalore - 560 100.

Sir,

This is in partial modification to the Council's earlier letter, the revised status of the programme of the Institute as follows:

S.No	Name of the course(s)	Existing Intake 2009-10	Revised Intake 2009-10
1	PGDM-FT	120	120
2	PGDM-IB	60	60
3	PGDM-PT	00	60*
	Total	180	240

Note: \* The approval for increase in intake / additional course(s) / variation in intake is valid for two year from the date of issue of this letter and fulfilling concerned State Govt. requirements for admission.

"That the institution shall take appropriate measures for prevention of ragging any form, in the light of direction of Supreme Court of India in Writ Petition No. (C) 656/1998. In case of failure to prevent the instances of ragging by the institutions, the council shall take appropriate action including withdrawal of approval."

- o "That the institution shall provide the facilities for the physically challenged persons viz: Barrier free entry, class room, toilets and hostel to be made accessible, resource room for visually impaired, accessible library, counseling center, facility of sign language interpreter.

The additional intake is being granted based on the projection shown in the Detailed Project Report regarding additional built-up space, faculty and other facilities for the proposed intake. It may be noted that all facilities including additional built up area should be made available before the commencement of the next academic session. Random surprise inspection would be carried out to verify facilities and if the institute is found deficient in fulfillment of norms & standards of AICTE, the Council would initiate appropriate action.

Please note that others terms & conditions mentioned in the earlier letter will remain.

This approval is granted based on the Appraisal of the information by the Institution on infrastructural faculty and academic facilities created for the proposed course(s). Therefore the institution through an Expert Committee visit subject to the verification of the claims makes the approval. In case the claims made by the institution are found to be false, the approval granted shall be liable to be withdrawn.

Yours Faithfully,

LIST OF DISTINGUISHED ALUMNI:-

1. Mr. Saptak Gangopadhyay – Vice President Research & Planning @ Multi Commodity Exchange of India Limited  
He has been awarded for his outstanding performance. The company's comments recognize Mr. Saptak as the most reliable and dependable member of the research team and that, in spite of being fairly new to the company, he has made himself comfortable with the whole process and is continuously upgrading himself with a new set of databases and websites. His research and analysis skills were also recognized as having brought outstanding contributions to the various projects that he has been involved with. The comments state that Mr. Saptak is willing to accept challenges and delivers beyond expectations.
2. Mr. Gaurav Krishna – Assistant Vice President @ ING Bank Limited  
He started his career as a Sales Trainee - Credit Cards and was able to achieve his targets. He was the best performer in this team and was awarded by the bank several times. Now his performance has lead him to greater heights.
3. Mr. Praveen Sahai – Head – Strategy, Marketing & Corporate Affairs @ EMC Data Storage Systems (India) Private Limited  
Mr. Praveen started his career as Management Trainee in computer peripherals. Worked with major IT players across India and his contributions were immense. All his efforts have made him comfortably reach the position which he is handling today.
4. Mr. Mithun Appaiah – Key Account Manager @ UB Group  
Started at entry level with UB Group and was able to complete the tasks assigned to him with ease. Seeing the performance and the capability to handle major clients, he is handling the position of Key Account Manager in the same company.

Institute of Finance & International Management

EXAMINATION SYSTEM

I. GENERAL EVALUATION GUIDELINES:-

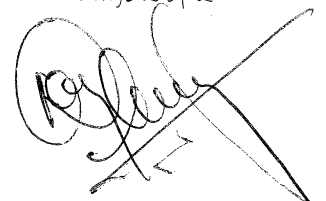

1. The system followed is on the basis of relative grading. However, the uniformity of the grading is maintained as best as possible. Below 34%, that is 0-34 is F grade, 35-39 is D grade; 40-44 is C grade. Only 40% and above shall be treated as pass grades.
2. The evaluation of the students' performance is expected to be continuous and multifaceted. As a general rule, the end term exam should have between 40% - 60% weight age.
3. Though a minimum level of performance is expected in the programme, basically with a view to (a) ensure high academic rigour (b) foster & preserve competitive spirit and (c) maintain/high & consistent academic standards. A cumulative grade point average, (at the end of first year) of 'B-' would be needed for a student to be promoted to the second year. This is further subject to the conditions that:
  - 3.1. The student should not have more than two 'F's in the first attempt.
  - 3.2. The students should not have more than four rating (i.e. after make-up exam) in 'F' and 'D' together.
  - 3.3. To be more precise a student can carry either two 'F's' and two 'D's' or one 'F' & three 'D's' or four 'D's' at the most. The students who get 'F's' in the first attempt (not more than two courses) are required to take the make-up examination. The students who get 'D' grade in any course are given the option to improve their performance. To emphasize clearly, though 'D' is below the minimum level of performance for pass in a course, from the perspective of calculating overall CGPA, it has a value of 2 on a 10 point scale, and therefore is to be differentiated from a 'F' with a value of 0 on a 10 point scale.
4. At the end of the second year a student will qualify to receive the Diploma only if the student has a cumulative grade point average (CGPA) of 5.5, for the first and second years put together. This is further subject to the conditions mentioned in 3.1 & 3.2 above.

5. At the end of each term, the students who had obtained a grade of 'D' for any subject could seek a make-up test. The make-up test result will replace the grade or marks of the original end term or whichever is higher. The evaluation of other components will, however, remain unchanged. A Permanent 'F' in any course is not acceptable either for promotion or diploma. Not more than one make-up opportunity will be given for improvement.

II. GRADE CONVERSION TABLE :-

GRADE	POINT	MARKS
A+	10	75 AND ABOVE
A	9	70-74
A-	8	65-69
B+	7	60-64
B	6	55-59
B-	5	50-54
C+	4	45-49
C	3	40-44
D	2	35-39
F	0	BELOW 34

COUNSELLING / MENTORING AT

INSTITUTE OF FINANCE & INTERNATIONAL MANAGEMENT

All the faculties of the Institute of Finance & International Management have over the years acquired, cultivated/been sensitized to effectively essay the roles of both counsellors' and mentors'.

The areas of counselling & mentoring range from management of stress (academic, life & relationship transitions) - career concerns/anxieties – psychological disorientation etc.

The forms of counselling range from personal, email & telephonic counselling. The types of student mentoring covers teacher-student; junior student – senior student and senior members of the community – student. Mentoring supports both academic and behavioural programmes. We have in the past sought the services of Dr. Ali khwaja, Chairman, Banjara Academy, Bangalore a renowned student counsellor both to lecture to our students as well as train our faculty.

\*\*\*\*\*

CAREER COUNSELLING

INSTITUTE OF FINANCE & INTERNATIONAL MANAGEMENT

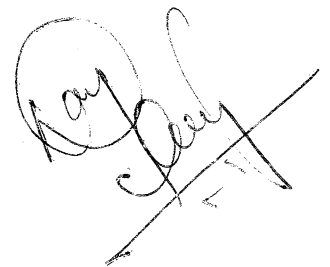

We, The Institute of finance and International Management have adopted a three pronged approach towards career counseling:

One: Successful professionals from all walks of life interact and address the student community on a wide range of topical themes relevant to the economy, business & society;

Two: The faculty of the Institute and external expert trainers address these issues as an integral part of the curriculum in softskill courses;

Three: The in-house faculty and the placement cell offer career counselling services based on the academic profile of a student and the speciality chosen during the programme.

DETAILS OF INDUSTRIAL VISIT/TOUR

Two student reports are attached :-

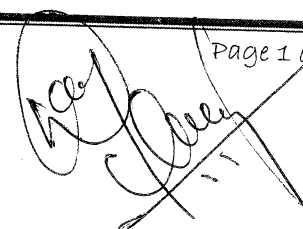

Report # 1: -

Factory visit to Bata India Ltd @ Hosur, TN :

30<sup>th</sup> December'09, not one of the most eventful days of the year, solely because the whole of Karnataka was mourning the death of their Lion- Vishnuvardhan, the Kannada film actor. The CRM students of IFIM B SCHOOL were scheduled for an industry visit to BATA. We assembled in the college at around 9:30 AM and left for BATA, Hosur at 10:30, accompanied by Prof.Babu Butchi Muvva who was more enthusiastic and curious than the 12 of us.

On reaching the BATA manufacturing unit at 11:00 AM, we were led to the waiting room where we were greeted by Mr. Govindaraju who was the costing head for that particular branch. He briefed us for around 15 minutes about his organization where we came to know that BATA had 6 manufacturing units all over India, mostly in the north and north-east with the Hosur branch being the smallest which catered to Karnataka and Tamil Nadu. After which we were given a few snacks and were in the meanwhile introduced to the production manager. After about 45 mins we all were led to the Factory Manager's cabin. Mr.Pushpendu Jha who was the most helpful and humble boss we had come across. He again briefed us about BATA but in a much elaborate and better way. After a brief interaction with Mr.Pushpendu Jha we were taken to the product development unit : here everything appeared to be hap-hazard . There were supposed to be two shoe-designers working on their designs but instead they were out relaxing. After a wait of 15mins they entered the room and we were briefed about the intricate issues involved in designing a particular type of shoe. Now this Manufacturing unit of BATA focused mainly on the production of leather shoes for which the leather was outsourced. Mr. Govindaraju also explained us the Oracle CRM that was being used in that particular unit for taking the orders, maintaining the stock and registering the complaints which was then followed by bombardment of queries from our side.

Now after the CRM software, it was time for us to see the production. The production capacity of this manufacturing unit was 2000 shoes per day. They had around 50 workers who worked in one

  
Page 1 of 4

shift only and most of them were females. We were briefed about the stepwise procedure involved in the production by Mr.Prince P - Manager - Production for Technical. We also witnessed the making of the not yet launched design of their premium brand- Ambassador. This continued for another hour and a half where we were told about the various aspects, machineries and the method of making a shoe. We also saw the RM/PM Stores (godown) for the leathers which was flooded with processed sheep and cow leather.

After the unit visit we went to bid goodbye to the Factory Manager who was again in the best of his temperament and this time apart from greeting us shared with us the history of shoes, how Bata evolved and how where they coping up with increasing competition, how BATA still managed to gain profits and retain its legacy. He also told us about their new customer handling techniques and complaint registration through a newly launched site which is still being worked upon. One of the most fascinating learning is how the company labels shoes through coding and their process status, complaint escalation's.

in the end, we would like to thank Prof.Butchi Babu Muvva and our CEO , Mr. Swami Krishnan who made this visit possible. It was an enriching experience which will remain with us forever.

Some Snapshots are as follows :-

Report # 2: -

FACTORY VISIT TO TAB INDIA LTD :-

20th June 2009 was an unforgettable day for us, as we had an industrial visit to Bhavani Enterprises and Tab India Ltd. both situated in Hosur. The former specializes in Aluminium Glazing, False Ceiling and all types of glass works, headed by Mr. P. R. Choudhary and the latter deals with all types granite processing and manufacture of tiles. It was a splendid experience for us, as we learnt many things that apply to the current management scenario.

**BHAVANI ENTERPRISES**

Though a small scale industry, Bhavani Enterprises it is growing very fast. Spearheaded by Mr. P. R. Choudhary, it is on a fast track towards advancement. Mr. Choudhary demonstrated the process of edge cutting, which was fully automatic with the aid of sophisticated equipments. We got to learn a lot from Mr. Choudhary, who started his career just by selling a piece of glass to Ashok Leyland. That was the genesis and today he can do anything and everything with glass. We came to know that will power and never say die spirit are key factors for a successful entrepreneurship. We were shown the beautiful designs made on glass, also the techniques like spray painting, sand spray, and breaking glass by using sand.

**TAB INDIA LTD.**

It is one of the leading granite companies in India. It imports granite from Rajasthan and exports 60% of its total output to U.S, Brazil, and Europe. They have re-engineered a machine in India, as a result of which they saved 90% of the cost, otherwise they would have suffered an expense of Rs. 1.5 crore if they imported it from Italy, which they got from India at 50 lakhs. The Assistant General Manager threw light upon the cultural differences in North and South India. He laid emphasis on the briefing of the new process and training imparted to the employees before the implementation of re-engineering. He also mentioned about the record time (6 months) within which the manufacturing plant was set up, which was a great achievement and consequently, the civil engineer involved was awarded a 1 lakh rupees. We learnt that for a re-engineering process to be successful the team must comprise of highly committed members and they should put in lot of hard work, under the guidance of a determined leader. We were shown processes like rope cutting, saw cutting, leveling of granite, polishing, manufacture of the finished product, i.e., tiles.

Finally we would like to thank Prof. Babu Muwa for arranging such a visit, also all and we would look forward to more such visits, in near future.

Institute of Finance & International Management

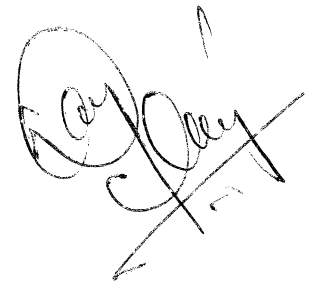

**DETAILS OF ALUMNI'S ACTIVITIES**

It is universally recognized that the influence and patronage of those who have graduated from any Institution constitute a powerful resource, are ambassadors & advocates for the Institution & it's mission besides are contributors through service and philanthropic support. We, at the Institute of Finance & International Management believe the following :-

- that properly encouraged and thoughtfully directed, the Alumni association can shore up the investment that each alumnus has made in herself/himself;
- the alumni resource can also have a significant impact on the betterment of the Individual alumnus through the process of networking and role modelling besides, each alumnus can be powerful advocates for each others success;
- the purpose of the alumni association is to provide and engage alumni & existing students in programmes, events and services that stimulate interest in, build loyalty for, and increase support for the Institute and it's community.

Keeping the following objectives & goals in view, we at the Institute of Finance & International Management have formed the IFIM Business School Alumni Association.

A brief activity report of the Alumni Association is attached herewith.

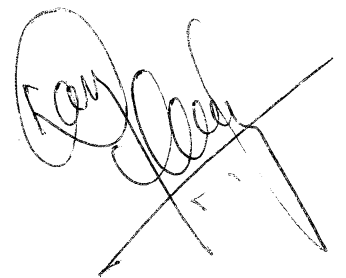

### ALUMNI CONTRIBUTION FOR PLACEMENTS

During the Alumni Meets held at Bangalore and Mumbai, the decision was taken from both the parties i.e., the Institute and its Alumni to see to that the Placements for this season and for the forth coming years would be 100%. There was a mutual understanding / agreement from both the parties on this, based on which few of the Alumni who are in very good positions like Vice President, HR Managers etc., brought the companies in which they are working to the Campus for recruitment of their juniors, super juniors.

For example few of the Alumni are as follows:-

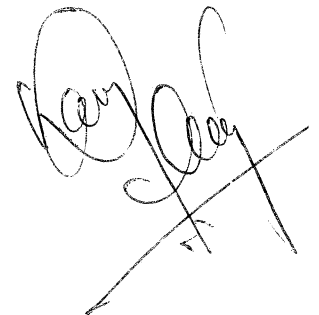

1. Religare Technova Global Solutions Ltd.,
2. Capital IQ, Inc, a Division of Standard & Poor's
3. Ernst & Young
4. Ceasefire Industries Ltd.,
5. Siemens Informations Systems Ltd.,
6. Vasvi Industries (GER Group)
7. Multi Commodity Exchange
8. Tulip Telecom Ltd.,
9. Fiorano Software Technologies Pvt. Ltd.,
10. HSBC Ltd.,
11. Amba Research (India) Pvt. Ltd.,
12. Achindra Online Marketing
13. National Stock Exchange of India Ltd.,
14. Matrix Cellular (International) Services Pvt. Ltd.,
15. N K E Electronics & Communications Pvt. Ltd.,

16. ANSR Source India Pvt. Ltd.,
17. Cross Tab India Pvt. Ltd.,
18. Trust Capital Services Pvt. Ltd.,
19. Momenta Info Services Pvt. Ltd.
20. Sodexo

The above indicative list of companies visited IFIM for Campus recruitment due to the efforts of our Alumni working in the respective organization.

*Institute of Finance & International Management*

**DETAILS OF ALUMNI MEET(S) ORGANIZED FOR THE YEAR 2009 :-**

**1.0 ALUMNI MEET ON 29<sup>TH</sup> MAY 2009 AT CHANCERY HOTEL, BANGALORE**

IFIM B-SCHOOL organized an alumni & corporate meet for more than 50 corporate and alumni. The event was called REJOIR Corporate get to gather & it was a huge success. We had corporate & alumni from ACCENTUE, O & M, Mercedes, Mind tree, IBM, L&T, SYMPHONY.

**HIGHLIGHTS OF THE EVENT:**

- It was an emotional trip down the memory lane for the former students of Institute of Finance & International Management. The Alumni meet started at 7:30 pm with a welcome speech by the students of IFIM Business welcoming the Alumni's and the corporate guests to the much awaited Alumni Meet.
- The CEO of IFIM Business School Mr. Swami Krishnan thanked everyone present for taking out their precious time from their busy schedules. Mr. Swami Krishnan turned to the chapters to the beginning of the institution, being founded in 1995 with its first batch of students graduating in 1997 and how the situations were very different from today he also emphasized on the current achievements of the institution that today IFIM Business School has come to acquire a unique 'institutional equity' with all its incumbent attributes Excellent curriculum and Faculty inputs, Infrastructure, International exposure, Academia-industry interface and Placements.

He also spoke about how in recent times, IFIM Business School has taken many bold, forward looking and progressive initiatives to include collaboration with leading academic, research and corporate bodies for conducting Continuing Education Programmes, Research, Corporate Training & Consultancy and offering a Ph. D. programme in Management.

- The alumni and the corporate shared their experience regarding IFIM, issues raised were:
  - It will be a tough road ahead for the students because of present economic scenario however the Alumni promised to extend as much as support as possible for the current students of the college. One of the important issue raised by the Alumni's of the college was that IFIM needs to work on brand building as people hardly know the

college in comparison to other B schools in the country, to this Mr. Swami Krishnan replied that brand cannot be created overnight and that each and every student of the college is the brand ambassador of the institution thus the let the performance of the students speak and add as the building blocks in the brand Building of the college.

- They also discussed the Importance of corporate exposure for student and how can it be improved on the future with much valuable inputs coming from the Alumni's. Even the much experienced Alumni's and Corporate guests were very willing to address students through guest lecturers which could further enhance the industry exposure of the students.
- Some of the snapshots of the event is as follows :-

## 2.0 ALUMNI MEET ON 8<sup>TH</sup> AUG 2009 AT RAMEE GUEST LINE, MUMBAI

IFIM B-SCHOOL organized an alumni & corporate meet for more than 30 corporate and alumni. The event was called REJOIR. We had corporate & alumni from ACC, SODEXO, UB Group, L & T, IBM, etc. Highlights of the event:

The alumni meet in Mumbai was a culmination of intellect and experience. It was held at Ramee Guest line Hotel and was started at 8pm on an enthusiastic Saturday Night it began with the students of IFIM business School introducing the occasion and the event to the Alumni which was followed by an inaugural speech by our dean Dr. Balasubramanian. The event continued with all the alumni's present that evening sharing their corporate experience and their journey from IFIM Business School to the corporate's till date, their struggles and so on. Many of the alumni's went nostalgic remembering the old days at IFIM Business School and shared many moments with us.

It was an enriching experience for the students who were a part of the event that night and also a promising one as the alumni's gave their word to us that they would extend full support and help during the placements for the 08-10 batch.

Overall it was a warm evening which had an overwhelming response and eventually turned out to be an eventful evening.

Some of the snapshots of the Alumni meet is as follows :-
